# Purecare Living Welcomes Certified Activity Consultant to Silver State Pediatric Skilled Nursing Facility

June 10, 2021 By Press Release Wire — Comments

LAS VEGAS – PureCare Living, a Las Vegas-based healthcare management company, welcomed Certified Activity Consultant Alisa Tagg, BA ACC-EDU CADDCT CDP CDCS to its newest health care facility, Silver State Pediatric Skilled Nursing Facility.

Tagg has been a certified activity consultant since 2016 and an activity director working primarily in skilled nursing facilities since 1995. She currently serves as the Association Director of the National Association of Activity Professionals and the Executive Director of the Southern Nevada Activity Professional Association.

A graduate from the University of Nevada, Las Vegas, Tagg has multiple certifications including National Certification Council for Activity Professionals and the National Council of Certified Dementia Practitioners. Tagg will support Silver State Pediatric's occupational therapist by implementing individualized plans and creative programming for the patients within the skilled nursing facility.

Silver State Pediatric Skilled Nursing Facility, managed by PureCare Living, is a \$14.1 million state-of-the-art facility that will specialize in pulmonary and post-acute care for children with traumatic injuries as well as cognitive disabilities.

PureCare Living provides post-acute facilities with the following services to help ensure successful healthcare management:

- Licensing processes for existing facilities
- Facility operations
- Consultation for new development or acquisition projects
- Compliance support for state and federal licensing regulations
- Coordination of state and federal plan reviews to ensure final operational inspections and licensing achievement

As a subsidiary of Insight Investment Partners, a commercial real estate investment and management firm, PureCare Living also partners with healthcare real estate developers and investors to manage and operate new post-acute facility projects in the southwest.
