

CFR-DT Certified First Responder-Dementia Trained

CFR-DT Application Information

This certification is for First Responders, Law Enforcement, Fire Fighters, EMT, Emergency Preparedness personnel. The NCCDP developed a specialized Alzheimer's Disease and Dementia Care curriculum and certifications in response by First Responders request that is geared specifically for First Responders.

Certified First Responder -Dementia Trained ADDC program is endorsed by TJA Non-Violent Self Protection Training and Certification.

The CFR-DT is open to those First Responders who have completed the one-day Alzheimer's Disease and Dementia Seminar by an approved NCCDP CFRDT trainer and who qualifies for certification. First Responders who work for Law Enforcement, EMT, Fire Fighters as well as National Security are welcome to apply. Additionally, if you work in a Prison setting as a Guard you are also welcome to apply. Please download the application to see if you meet the required qualifications.

Within the application form, you will be asked to upload a copy of the certificate of attendance provided to you in the first responder Alzheimer's disease and dementia care class.
