Speakers:

Lisa Hohlbein, RN, RAC-MT , CDP, CADDCT Director of Clinical Services, LeaderStat. Lisa brings nearly 20 years of healthcare experience and offers cutting edge expertise in the areas of the RAI process and clinical reimbursement systems. Her areas of expertise include performing and overseeing various reimbursement reviews for Medicaid and PPS in multi-state, skilled nursing facilities, long-term care and sub-acute care assessment and operations, as well as leadership and team building. Lisa has presented work-shops on a variety of topics at the facility, regional, state, national and international (Canada) levels. She is a Master Teacher with AANAC, has presented at AANAC's biannual conferences, and is a member of AANAC's Expert Advisory Panel (EAP) and Editorial Advisory Board (EAB). She has been a contributor to MDS Alert. Lisa is also a Certified INTERACT Educator, a Certified Alzheimer's disease and Dementia Care Trainer and a Certified Dementia Practitioner through the National Council of Certified Dementia Practitioner and International Council of Certified Dementia Practitioner.

Gail A. Greenley, BSN, RN, CDP, CADDCT, Graduate of Otterbein University, Westerville, Ohio. Eighteen years of experience as a Director of Nursing in an all Alzheimer's and Dementia facility, along with three years' experience as a regional Clinical Nurse Advisor in Columbus, Ohio. In addition to being a Certified Dementia Practitioner and a Certified Alzheimer's disease and Dementia Care Trainer through the National Council of Certified Dementia Practitioners/International Council of Dementia Care Practitioners. I am a published Author in Long-Term Management of Dementia, Chapter 6, Management of function: basic activities of daily living, Edited by: Douglas W. Scharre, Informa Healthcare, Colchester, Essex 2010.
