Alisha Schroeder, LPN and Assistant Director of Nursing at Valley View Living Center, has earned certification through the National Council of Certified Dementia Practitioners® as a Certified Dementia Practitioner.

The Council was formed to promote standards of excellence in dementia education to professionals and other caregivers who provide services to dementia clients. As the number of dementia cases continues to increase nationally and worldwide, there is a great necessity to insure that care givers are well trained to provide appropriate, competent, and sensitive direct care and support for the dementia patient.

Valley View Living Center is licensed 60-bed nursing facility that is part of Valley County Health System. For more information call 308-728-3211.
