

Alzheimer's Association Miami Valley Chapter
2008 Symposium: *Helping People Live and Thrive with Dementia*
Nov. 7, 2008 / Schuster Center, Dayton, Ohio

Speaker's Biographies

Ann Frazier

Activity Director Certified (A.D.C.) by NCCAP
Certified Dementia Practitioner (C.D.P.) by NCCDP

Ann has worked in the general field of gerontology for over 20 years. Currently she works independently as a training coach and speaker for people who work with and care for persons with dementia. Prior to this, she worked as an Activity Director for long-term care facilities, focusing entirely on persons with dementia for the final three-years of that phase of her career. She worked for the Franciscan Health System in Dayton for nine years as the Wellness Coordinator for Senior Network, a program based on healthy living education for senior citizens. She currently volunteers with the Alzheimer's Association as a support group facilitator.

Mary Lea Habegger, MA-CCC/SLP

Director of Clinical-Operations for Genesis Rehabilitation Services

She provides clinical education and support to Physical Therapists, Occupational Therapists and Speech-Language Pathologists across the country. Mary Lea graduated from Marshall University with her Masters degree in 1993 and has practiced in a variety of settings with the last 12 years spent primarily in geriatrics and long-term care. Mary Lea is a Master Clinician in Dysphagia for Genesis Rehabilitation Services, and is pursuing Master Clinician status in Dementia. She has presented continuing education courses on various clinical topics including: A Cognitive Framework- An Interdisciplinary Approach to Dementia; Dysphagia-The Basics; Auditory Rehabilitation; Cognitive Linguistic Therapy; Staging Dementia-A Nursing Approach; and Vital Stimulation Therapy. Mary Lea has presented at the Annual Ohio Health Care Conference, The Wisconsin Speech and Hearing Convention, and The Ohio Speech-Language Hearing Convention, and is speaking this year at the American Speech Language Hearing Association's national convention.

Mary Lea speaks on leadership issues as related to geriatrics and long term care. Mary Lea is certified in the Serper Method (a cognitive rehabilitation program) and participates on the Dementia Special Interest Group for Genesis Rehab Services. She is also a member of the

Specialist Interest Groups Gerontology and Swallowing Disorders for the American Speech-Language Hearing Association. Mary Lea is passionate about delivering exceptional treatment to the geriatric population.
