[Assisted Living for People with Dementia or Alzheimer's Disease](#)

Dementia and Alzheimer's can be a devastating disease for people to watch their loved ones or elderly family members endure. For a period of time it may be feasible for loved ones or seniors to live within the care of family or in the comfort of their own home. There ...[more](#)

[Alzheimer's Home Care Oak Park/Chicago IL : Why Experience Matters](#)

Stephanie was concerned about her father for some time. She had a suspicion that something might be wrong with his health, even though her sisters didn't think there was anything to be too concerned about. Finally, after months of prodding, her father went to the doctor to be checked for ...[more](#)

[Alzheimer's Care Tips Mechanicsburg PA: Commonly Overlooked Alzheimer's Disease Signs and Symptoms](#)

Unless you're a medical doctor, it can be easy to overlook certain signs and symptoms of various illnesses in your loved ones. We often miss the signs and symptoms of our own illnesses, let alone for those who are closest to us. However, when it comes to Alzheimer's care, it ...[more](#)

[Alzheimer's Care Tips Gaithersburg MD: How Music and Art Helps with Alzheimer's Care](#)

When your family member has Alzheimer's, communication often is difficult. Music and art is another way to communicate with people with this debilitating disease though. It is good to use because music can reduce agitation in your loved one and even improve some behavioral issues which you may be dealing ...[more](#)

[Alzheimer's Care Tips Erie, PA: Your Loved One and Alzheimer's Care](#)

The day you realize your loved one had Alzheimer's can be life changing. The person you love is going to change and you don't know how you will deal with this fact. Your own emotions will go from anger to grief to shock as you adjust to this new version ...[more](#)
