Memory Lane is certified as an Alzheimer's Special Care Unit (ASCU) licensed with the State of Arkansas as an Assisted

Living Facility (ALF).

According to state regulation and upon joining our team at Memory Lane, each member is required to receive 30 hours of additional training in Alzheimer's & Dementia.

The Memory Lane Administrator and Director of Nursing are affiliated with the National Council of Certified Dementia Practitioners and have received the following certifications: Certified Dementia Practitioner (CDP); Certified Dementia Care Manager (CDCM); Certified Alzheimer's and Dementia Disease Care Trainer (NADDCT).

In addition, Memory Lane proudly offers an "on-site" educational program written and produced by members of our Management Team (copyright pending). Upon successful completion of this program, each participant will be recognized as a "Cognitive Care Specialist" and receive a Certificate of Completion (ML use only).
