Staff Alzheimer's & Dementia Training and Dementia Certification

"Don't just meet the minimum state regulations for staff training, exceed them!" Sandra Stimson

It's that important to have a certified Alzheimer's and Dementia Trainer providing education to your front line staff, health care professionals, clergy, volunteers, surveyors, etc, who work in assisted living, adult day care, hospice, home care, nursing homes, hospitals, rehab centers, adult foster care, associations, state agency, state and national associations .
