More than 25 representatives from Diocesan Health Facilities' five skilled nursing and rehab care facilities have received certification from the National Council of Certified Dementia Practitioners, the health organization announced. Employees from Catholic Memorial Home in Fall River; Madonna Manor in North Attleboro; Marian Manor in Taunton; Our Lady's Haven in Fairhaven; and Sacred Heart Home in New Bedford have successfully completed the requirements of the National Council of Certified Dementia Practitioners and have been credentialed for two years. The National Council of Certified Dementia Practitioners was formed to promote standards of excellence in dementia education to professionals and other caregivers who provide services to dementia clients and residents.
