Certified Dementia Practitioner Seminar

April 6, 2016

Raton, New Mexico

8 a.m. – 5 p.m.

The Alzheimer's Disease and Dementia Care Seminar is the required 8 hour seminar for those interested in pursuing certification as a **Certified Dementia Practitioner (CDP)**. The Alzheimer's Disease and Dementia Care Seminar provides in-depth knowledge, real life scenarios and compassionate care interventions for health care professionals and

front line staff working with persons who are affected by dementia. The topics include; Diagnosis, prognosis & treatment; communication; feelings; depression; repetitive behaviors; paranoia; hallucinations; wandering; hoarding; aggressive behaviors; catastrophic reactions; intimacy and sexuality; personal care; pain management; nutrition; activities; environment; staff and family support; diversity and cultural competence; spiritual care and end of life care.

About Our Instructor

Tina Thomas MHSP, BS, CDP, CADDCT, CMHS is a Certified Dementia Practitioner, Alzheimer's Disease and Dementia Care Trainer and Certified Mental Health Specialist. Tina is the Dementia Services Educator for a Virginia CCRC. She has over 25 years of healthcare experience. Tina has a BS in Health Care Administration and a MS in Hospice and Palliative Studies. She has post graduate certificates in Gerontology, Bereavement, Addiction and Pastoral Care.

We are offering this 1 day seminar for \$150 early bird price. Print & submit the application along with your seminar certificate and become a nationally recognized practitioner!! Now how can you argue with that? [Download an application at www.nccdp.org/cdp.htm](http://www.nccdp.org/cdp.htm) and see who else on your team needs to attend. It's easy, affordable and no one is going to offer this course cheaper. Our association has a vested interest in training/education of not only Activity Professionals but anyone who wants to improve the lives of those they serve. Join us in that vision in Raton, New Mexico April 6, 2016.
