Hawthorne Inn at Hilton Head, A Family Perspective

About Our Community

"We have promised ourselves that we shall always treat our residents as we would our own loved ones. Nothing less than our best will do."

This is the promise that the staff at Emeritus at Greenville – and throughout Emeritus Senior Living communities – has shared since 2000, when our community first opened its doors. It's a simple promise to be compassionate and kind, understanding and respectful – a promise to become extended family to the seniors entrusted in our care and to our retirees who have chosen our community for its active lifestyle. Once you decide to move into our community, you can stay right here in the same home, surrounded by familiar faces you've come to know and trust, even if your health needs change. We offer:

The Perfect Location

Our [assisted living](#) and [memory care](#) community is located at 1306 Pelham Road minutes away from Interstate 85 and 385. We are close to downtown Greenville and many local shopping centers, malls and restaurants. There are three major hospitals nearby and Greenville Spartanburg International Airport is less than ten minutes from our community. Downtown Greenville hosts major sporting events as well as cultural activities throughout the year at the Peace Center for the Performing Arts and The Bi-Lo Center.

A Wonderful Selection

Our community offers several different size apartments to choose from ranging from studio apartments to one (1) bedroom and two (2) bedroom suites. Our home-like environment resonates throughout the building. Our comfortable and warm community also includes large common areas for resident activities and guests to enjoy spending time with their loved ones. We are a

Eddie's personality far exceeds the norm. His sincere feelings and care towards everyone, including my mother, meant the world to me and my family. Eddie would go out of his way every day to just check on my mother, chat and put a smile on her face. Eddie is an exceptional human being and he will
