Industry Leaders Collaborate to Support Families Dealing With the Aging Process

Senior Care Authority and WellOr partner to deliver comprehensive care to older adults. Senior Care Authority is helping families across the U.S. navigate care solutions during COVID-19 **SEE DETAILS**

Senior Living and Care Solutions

The unique needs of older adults and demands associated with the current pandemic are creating an extremely challenging situation for all of those

involved.

Senior Care Authority is helping families across the U.S. navigate care solutions during COVID-19 [SEE DETAILS](#)

of billions. Senior Care Authority is helping families across the country. One such partnership, recently announced by WellQor Behavioral Health and Senior Care Authority, allows clients access to resources from both organizations.
