TINTON FALLS, NJ, July 07, 2015 **/24-7PressRelease/** — VP of **Milestone Retirement Communities** Joseph Jedlowski has been recognized by [Worldwide Branding](#) for showing dedication, leadership and excellence in business planning and operations management.

For 15 years, Mr. Jedlowski has honed his talents in the various fields of the seniors housing industry such as skilled nursing, assisted living and memory care. He began his career as a nursing assistant in a nursing home and has held several positions such as: Admissions Director, Administrator, Executive Director, Regional Director and **Regional Vice President**.

He is now the Vice President of Milestone Retirement Communities, a position he has held for the last four years. Mr. Jedlowski supports the ongoing success of **Milestone Retirement Communities** by his development and execution of well-designed solutions that significantly improve operational performance, cost and capabilities. His creative direction and broad knowledge base have allowed him to lead innovative seniors housing ventures to record levels of success.

Over the years, he has become an expert in operational and financial executive management across multiple sites and states. This talent proves advantageous in the management of seniors housing projects such as: new construction developments, change management, human resources and overall relationship building (employee, resident, vendor and investor).

He shares his expertise with the larger industry as well, sitting on the board of directors of the Arizona Assisted Living Association and remaining active with the American Geriatrics Society and National Association of Health Services Executives. Mr. Jedlowski is also a supporter of the Alzheimer's Association, Alzheimer's Society, American Red Cross, and Arizona Assisted Living Federation of America.

He holds a degree in health care and business from American University, and is a Certified Dementia Practitioner (CDP) through the National Council of Certified Dementia Practitioners. He also holds a degree in nursing home administration from the School of Aging and Long Term Care at the University of Wisconsin-Madison.
