WITH SO MANY CHOICES, WHY WOULD YOU CHOOSE TO PAY TAXES?

Tax-Free Municipal Bonds

1.47% TO 3.40%*

*Yield effective 08/15/2012, subject to availability. Yield and market value may fluctuate if sold prior to maturity and the amount you receive from the sale of these securities may be less than, equal to, or more than the amount originally invested. Bond investments are subject to interest rate risk such that when interest rates rise, the prices of bonds can decrease and the investor can lose principal value. Any bond called prior to maturity results in reinvestment risk for the owner of the bond. May be subject to alternative minimum tax. Municipal bonds may have original issue discount.

Some of the available issues of bonds are callable. Contact your local Edward Jones financial advisor for more information about maturity dates and applicable call provisions.

To invest in tax-free bonds, call or visit your local financial advisor today.
