## Missy Ingram Named Resident Services Director Of Legacy Village Of Cleveland

Monday, August 6, 2018

Missy Ingram

Missy Ingram, LPN, has been named the resident services director to Legacy Village of Cleveland, an assisted living and memory care community serving Bradley County scheduled to open in the fall.

She will oversee a caring staff that ensures Legacy's residents stay active in a safe environment where they receive support for grooming, medications and other needs to ensure their security, dignity and quality of life, said officials.

Ms. Ingram, a Certified Dementia Care Practitioner, calls upon 28 years of nursing experience in a variety of caregiving areas to enrich the lives of residents, family and staff in her new role.

"Missy's leadership and expertise in building a caregiving team will play a crucial role in making Legacy Village of Cleveland a special place for our residents," Bryan Cook, COO of Legacy Senior Living, management company of Legacy Village of Cleveland, said. "Her passion for quality and service will ensure the highest level of care for our residents."
