(NCCDP) training that focuses on new methods, theories and tools related to providing care for members in memory care.

Summit Hills' Reflections at the Retreat employees provide an environment for members to safely engage in specially designed activities. The person-center approach to care within Reflections offers opportunities for residents to find happiness and meaning that supports their own unique needs.

The following Summit Hills employees were recognized for their hard work and dedication to not only their career, but to their community and Summit members:
