VERO BEACH — Nurse On Call hosted guest speaker Dana Ryder, executive director of Pelican Landing, at its all-staff meeting in Vero Beach on April 12.

Ryder, who brings over 20 years experience in the senior living industry as a licensed ALF administrator and certified dementia practitioner, spoke about dementia as Pelican Landing celebrates its first anniversary.

"As a partner in health care, we're honored to have Dana Ryder join us and present on a subject matter that impacts us all," said Nikki Parris, manager of Nurse On Call. "When 55 percent of our population has some form of dementia, it is up to every one of us in the health care continuum to take a serious look at how we can improve and make an impact on the lives of the patients we serve."
