Monica B. Petrizzo, a registered nurse, has been credentialed as a certified dementia practitioner by the **National Council of Certified Dementia Practitioners**, according to a statement from her employer.

Petrizzo has worked for three years at **Home Instead Senior Care**, a Sandwich-based provider of homecare services for seniors on Cape Cod for more than 19 years, according to the statement. Petrizzo provides classroom training to all of the company's caregivers.

She has also worked as a school nurse in West Hartford, Connecticut, taught Occupational Safety and Health Administration and bloodborne pathogen standards and, most recently, was a substitute school nurse in Falmouth, according to the statement.

She received her bachelor's degree in nursing from the **University of St. Joseph** in West Hartford, Connecticut, the statement says.
