from around the country for national CNA and CDF the year.

Unlike other national awards programs, the CDP® CNA of the Year Program recognizes the impact th the CDP® and CNA has with the staff, residents AN families, because of their completion of the NCCDI Alzheimer's Disease and Dementia Care education presented to the employees by certified NCCDP trainers, CADDCT Certified Alzheimer's Disease Dementia Care Trainer. This type of training motivates their colleagues to set higher care goals for patient care. Additionally, the CDP® is able to meet the challenges of reaching beyond state and federal regulations regarding dementia care, the nominees inspire life long passion for their colleagues' contin growth in the care for their patients. The NCCDP ADDC curriculum is recognized by CMS. Another unique aspect of this national award is that the awa are presented in person and the winner receives a cash award.
