Alzheimer's Care Guide

[\(Click here to visit the website\)](#)

A bi-monthly educational/training publication that keeps caregivers up-to-date on the latest, evidence-based, information about caring for elders with Alzheimer's disease. News includes the latest information in dealing with behavioral problems, therapeutic activities, research news, and more!

Become a Certified Dementia Practitioner! In each issue, an educational article that can earn CEU credits with the National Council of Certified Dementia Practitioners! Regulators want more Alzheimer's Training! A subscription to Alzheimer's Care Guide Will Help!

If your job includes the challenges of taking care of those with Alzheimer's disease, then you'll find this bi-monthly magazine to be very helpful! Topics each month include effective care techniques, behavioral situations and solutions, new scientific medical research breakthroughs and information, therapeutic techniques and recommendations, and suggested activities developed especially for the requirements of the Alzheimer's patient.
