

Dementia Training LLC

Instructor, Mary Horstman, RN, MBA is a member of the National Council of Certified Dementia Practitioners' with 20 years of experience in Alzheimer's care.

Our path to Certification..

healthcare professionals and frontline staff, particularly **advisors**, as mandated on June 2, 2019 by the State of Illinois under Code 245 or 280 under title 77. This training will provide the necessary professional for qualification to the National Council of Certified Dementia Practitioners as a Certified Dementia Practitioner (see nccdp.org for more details).

Curriculum includes modules on topics such as diagnosis, symptoms, depression, repetitive behaviors, paranoia, neurodegenerative reactions, intimacy and sex, personal care, social activities, environment, and staff and family support.

YOUR INSTRUCTOR

Your Instructor, Mary Horstman is trained by the National Council of Certified Dementia Practitioners. Her experience includes working as a Geriatric RN at Alexian Brothers Hospital, as well as working in Long Term Care, teaching and training caregivers in Alzheimer's care. Previously, a Certified Dementia Practitioner, she also worked at Harper College for 10 year as a Certified Nursing Instructor. She has completed 40 hours of Alzheimer's curriculum in each class.
