Welcome to

The Rocky Mountain Chapter of CMSA

We are a non-profit, multidisciplinary group of healthcare professionals working together in the specialized field of case management. Our members strive to collaborate with the patient, family, healthcare provider and employer to provide the highest possible standard of professional and ethical healthcare. Please join us to further the collaborative efforts through education and networking to meet each individual's health needs.

CMSA Mission Statement Advancing Case Management..... To promote the growth & value of case management, and to support the evolving needs of the case management professional.

Please join us for our February 2011 In-Service:
