## Allies in the War on Wandering

EmFinders provides innovative and progressive technology, and we only work with best companies in the industry. We have established several strategic corporate alliances to further enhance the solution we provide.

### Technology Partner

---

[TruePosition](#) is the global leader in location determination and intelligence solutions that help protect citizens, combat crime, and save lives. TruePosition has more patents, technical expertise, and operational experience in wireless location than any other company in the world.

[KORE Telematics](#) is the world's largest fully digital wireless network provider focused exclusively on the machine-to-machine (M2M) communications market. KORE maintains direct connect agreements with Tier 1 wireless operator partners in long-term contractual relationships to deliver both GSM and CDMA for Data, Voice & Video.

[NTEC – North Texas Enterprise Center for Medical Technology](#) assists entrepreneurs with starting and growing new technology ventures. The Center specializes in medical- and clean technology and provides a broad base of support both internally and through its extensive resource network.

### Law Enforcement Partner

---

[The Frisco Police Department](#) is made up of well-trained and motivated employees with an attitude of service to the community. In 2008, the department received the designation of a nationally accredited police agency from the CALEA.

The [Plano Police Department](#) is the largest law enforcement agency in the northern Dallas metropolitan area. Serving more than 260,200 citizens, the Plano Police Department is nationally known for its highly trained officers.

The [Long Beach Police Department](#) has partnered with EmFinders to implement their Safe Reunion Program which provides EmSeeQ devices to the citizens of Long Beach. Through this partnership, the Police Department will be able to quickly locate citizens with cognitive impairments when they wander away from their homes. An added value to the program is the reduction of patrol and investigative resources utilized in these situations.

## Insurance and Healthcare Partner

---

The [National Council of Certified Dementia Practitioners®, LLC](#) was formed in 2001 by a group of professionals with varying work and personal experiences in the field of dementia care. Their backgrounds include Nursing, Psychiatry, Dementia Unit Managers, Alzheimer's and related Dementia Care Specialist, Therapeutic Recreation, Social Services, Therapist, Pharmacists, Long Term Care Administration, Elder Law, and Home Care Administration. The Council was formed to promote standards of excellence in dementia education to professionals and other caregivers who provide services to dementia clients. As the number of dementia cases continues to increase nationally and worldwide, there is a great necessity to insure that care givers are well trained to provide appropriate, competent, and sensitive direct care and support for the dementia patient. The goal of the Council is to develop and encourage comprehensive standards of excellence in the profession and delivery of dementia care.

[Parentgiving.com](#) is a complete online resource for getting smart about caring for your aging parents, with hundreds of articles, experts on demand and a store with over 3500 of the most often needed home care products and medical supplies.

[THOMCO](#) has been writing Professional Liability insurance for Senior Living communities for over 15 years. Come see why we are better than our competition.
