[2011 OANH Education Schedule: Plan the education for you and your staff now!](#)

Become a Certified Dementia Practitioner with our Alzheimer & Dementia Seminar

This nationally recognized designation will show a commitment to caring for residents with dementia. Having CDPs on staff is a great marketing tool for your facility. Nurses, STNAs, therapists, administrators, activity professionals, social workers, and marketing/admission directors can all become certified. The Academy is teaming up with Therapy Alliance to offer the **Alzheimer & Dementia Seminar in 2011**. This seven hour program is the required course to become a CDP. Some additional experience and education are required and you can view those requirements at www.nccdp.org. Persons attending this seminar and meeting the qualifications will pay a discounted fee of \$25 (a \$75 savings!) to the NCCDP when submitting their CDP application within 45 days. A notary will be onsite to notarize applications the day of the course. This class has been approved for seven (7) hours of CEU from BENHA. The CSWMFT Board has also approved this program for seven (7) hours of CEU for Social Workers.

HR: What you don't know can hurt you!

This four part series will examine the most critical aspects of human resources and give the attendee the basis for revising or crafting a legally sound employee handbook.

Get to the Root of it!: Root Cause Analysis

How can learning root cause analysis make your facility a better place for both residents and staff? Learn how to conduct a root cause analysis to look at and help eliminate common facility issues, such as false alarms, falls and elopement. CMS is strongly focusing on root cause analysis as part of a facility's plan of correction. This class will walk you through the process in easy to understand terms and methods.
