## Welcome to Rehab One Website

Rehabilitation one Home Healthcare is a multi-disciplined home health agency that can provide a wide array of professional health care services to treat and rehabilitate patients in the comfort of their own home. We promote the return of an active lifestyle for our patients whenever possible.  
**We are Medicare and Joint Commission Certified**

## Our Mission

At Rehab One Home Healthcare, inc. we know how important it is to manage every aspect of patient care. Our mission is to provide the highest quality healthcare services by utilizing a highly skilled professional staff. Our staff will

combine the need of the patient with the recommendations of the physician to provide quality healthcare in the comfort of the patient's home.

## We Believe

Nothing is important that helping people live full, dignified, and independent live. We are built of the foundation that we have families too so we understand the importance of compassion, dedication, and safety. We understand that every patient is

different and treatment programs are customized to meet individual patient need. Most importantly, at Rehabilitation One, we pride ourselves in our reputation for making the needs of our patients, our number one priority.

## Professional Staff
