The Lodge at Rocky Hollow is a certified and licensed Dementia and Alzheimer's assisted living community which is privately owned and operated.

Both owners and Certified Assisted Living Managers Hope Popejoy and Londa Hebert, live on site and are personally involved with daily operation. Emphasis is placed on dignity, respect, and actions that create a home like atmosphere. Each resident is treated as one of the family.

We have private and companion apartments that include all utilities except phone, weekly housekeeping, medication management, individualized climate control, emergency call system, laundry services twice weekly, satellite TV, 3 meals plus snacks daily and weekly linen changes.

Even the decorating takes on a years gone by feel so that residents feel safe and surrounded by everyday items that give them a secure feeling. The owners participate in activities, dining activities and the care of their residents.

When you enter **The Lodge at Rocky Hollow** you will be met by Hope or Londa and knowing that each individual has unique needs and preferences they will meet with each resident and their families to conduct an assessment.

This is done prior to move-in and then at regular intervals after move in. Their goal is to encourage independence, preserve each resident's dignity and enable their freedom of choice.

Upon completion of the assessment, they will prepare an individualized service plan that is monitored on a daily basis to assure that each resident is receiving the care they need.

Here are some of the services provided:

- Bathing Assistance
- Morning dressing and grooming assistance
- Evening dressing and grooming assistance
- Verbal reminders for meals and activities
- Transferring assistance
- Daily housekeeping
- Routine night check
- Continence management
- Memory Support
- Meal escort
- Fully Activity Schedule
- Daily bed making

About the Owners

Both Hope's and Londa's families own the Angels of Grace corporation which owns The Lodge at Rocky Hollow so it is truly a family owned and operated business.

Hope Popejoy has 14 years experience and is an LVN Certified Dementia Practitioner. Londa Hebert, B.B.A designed the Lodge to their exact pre-qualifications. Everything in the building and in each apartment has been thought through and been supervised in the building of the Lodge.
