"I thought I knew Jacqueline until I read her book. Wow, what a story! If you're caring for an elder, you won't believe how much this book will help you!"
—Regis Philbin

AARP's Bulletin
"It's like fiction, or a made-for-TV movie, filled with despair and deception, then resolution and redemption-- leavened by doses of humor."

03.12.05

Listen With...

one	<p>Peter Gelbwaks is the Chairman of the National Long Term Care Network, the largest Long Term Care Insurance marketing firm in the United States. He's written numerous articles on Long Term Care, co-authored a Long Term Care book, taught LTC classes at various Financial Planners Association conventions, and received his Certification in Long Term Care designation. Peter is celebrating 37 years in the insurance business. WebSite</p>	windows media
two	<p>Barbara Mascio is the Founder and President of Quality Elder Care, advocating for the rights of seniors to receive excellent care and to remain safe while receiving that care. Barbara supplies a one-call solution to help families find excellent elder care resources throughout the United States. Seniors and family caregivers can visit the "Seniors Approve Free Web Community" at SeniorsApprove.com, and businesses that serve the senior population can learn how to become a "Senior Approved Service" at QualityElderCare.com.</p>	windows media
three	<p>Rick Sakamoto is President and CEO of California Registry, a free statewide information and referral service for senior housing. His company has helped families and seniors throughout the state since 1939. Rick has over 20 years of experience in the healthcare industry in the areas of home health, nursing homes, DME, home infusion, and senior housing. He is on the Board of the California Alliance of Information & Referral Services, and on the Advisory Board of Chaffy College. WebSite</p>	windows media
four	<p>Lynn Biot-Gordon is the Executive Director of the National Council of Certified Dementia Practitioners (NCCDP). For the past 18 years she has been in the field of geriatrics, providing clinical services to residents of long term care facilities and their families. As a clinician and advocate, she witnessed incidences of insensitivity, even abuse of dementia patients. She also saw the great need for increased education and support for caregivers, which prompted her to promote comprehensive dementia care training</p>	windows media

show info Next Shows: April 9 and May 14. For upcoming guests, see Coping with Caregiving entries by date [here](#).

Coping with Caregiving is an uplifting program and a valuable resource for anyone coping with the challenges of caregiving, and for everyone who thinks it will never happen to them.

Jacqueline Marcell is a former college professor & television executive, who after the experience of caring for her elderly parents has become an author, publisher and sought-after national speaker, dedicating her life to eldercare awareness and reform. She is the devoted daughter in her riveting true story, "Elder Rage, or Take My Father... *Please!* How To Survive Caring For Aging Parents," written she says, "so that no one else would ever have to go through what I did."

"Elder Rage" is endorsed by: Hugh Downs, Regis Philbin, Dr. Dean Edell, Duke University Center for Aging, Dr. Nancy Snyderman/ABC News, Ed Asner, Betty Friedan, Art Linkletter, Dr. Bernie Siegel, John Bradshaw, Dr. John Gray, Senator John D. Rockefeller IV and The Johns Hopkins Memory Clinic.
