Presenters:

- Jenelle Murphy PT, DPT, CDP, LSVT, Regional Director
 - Jenelle received her Doctorate in Physical Therapy from Rosalind Franklin University and has worked with FOX Rehabilitation for 5 years. After finding her true passion working with older adults, she became a Certified Dementia Practitioner and a LSVT Certified Clinician which is a specialized exercise program for people diagnosed with Parkinson's. Jenelle chose to work with older adults because she believes that aging should be a positive event for individuals. "Older adults should be able to continue to do what they love, whether it be golfing, going to the beach, or shopping; and as a physical therapist I have the power to be able to help older adults stay active and/or return to their favorite activities"
- Brittany Donnelly MOT, OTR/L, Regional Quality Assurance Liaison
 - Brittany received her Master's in Occupational Therapy from Midwestern

University and has worked with FOX Rehabilitation for 2 years. "OT is my passion, I am able to help older adults stay engaged in their most meaningful tasks, stay active in the community and reconnect with what brings them joy."
