## Have You Fallen in the Past Year?

**In 2018, 2.4 million emergency department (ED) visits and more than 700,000 hospitalizations across the U.S. were due to unintentional injuries among people 65 and older**

**Unintentional falls comprised 91.8% of the ED visits**

**91.3% of hospitalizations were related to unintentional falls.**

A recently CDC published report, shows the prevalence of falls in older adults

If you or someone you know has fallen in the past year or has a fear of falling, contact Wells Rehab. I provide outpatient PT in your own home to help decrease your risk of
