Press release from: North Star Senior Advisors

### In 2011, Veronica Quinones lost her grandfather to cancer.

His loss left a profound effect on her career path and was a life changing experience for Veronica. Since the time of her grandfather's loss, she has made it her mission to assist those who are no longer able to care for themselves at home independently.

Veronica's career began in the Software industry, and she then moved on to work in an Assisted Care Facility as part of the Sales and Marketing team. Today she is the co-owner and Founder of North Star Senior Advisors, a Senior Living Placement Company that she and her husband created in order to help families locate the perfect assisted living and memory care facilities in Central Florida for their loved ones.

A dedicated Senior Advisor, Certified Dementia Practitioner (CDP), and trainer (CADDCT) with a strong passion for the elderly, Veronica is a highly qualified and trusted resource for families in search of quality care for their loved ones.

ones.

North Star Senior Advisors provides a free service for seniors and their families who are trying to navigate through the senior living process, and Veronica is at the helm of the company with a hands-on approach to helping families access the perfect care for their loved ones. "It's an emotional and difficult time going through the process of relocating a senior loved one into their new chapter in life. I want to be there to hold their hand and guide them along the way," she says.

Orlando Family Magazine has recognized Veronica Quinones, Founder of North Star Senior Advisors, as one of the Top Women Business Leaders. The program honors high-level women executives at organizations who make a difference in Central Florida.

North Star Senior Advisors provide free expert guidance to families looking to find a family member. They'll visit the article and Orlando Award in 2021 and most

#### Comments about openPR

OpenPR ist the nicest and most clearly laid out PR platform I have seen to this day. The press releases are displayed very nicely and clearly and without any unnecessary frills. The updates are fast and the finished release looks appealing and is clearly legible. Even with 16 years of experience one discovers new things from time to time. Congratulations!
